# Portola Avenue Neighborhood Mobility Strategies

## About the Project:

Portola Avenue connects residential communities to Highway 111 to the north and Living Desert Zoo and Gardens to the south. During the winter months of November and December, the Living Desert Zoo and Gardens hosts the WildLights event. During this time, the neighborhood sees an increase in visitors on local roads. The City of Palm Desert is looking for community feedback to better understand mobility in this area. This project aims to develop a suite of traffic strategies to address mobility while continuing to welcome visitors to the Living Desert. Based on your feedback and data collection, the project team will develop a study which identifies potential improvements for this area.

## Get Involved!

### PARTICIPATE

Participate in our next community meeting on March 18, 2025 at 5PM at Palm Desert City Hall, 73510 Fred Waring Drive, Palm Desert, CA 92260. Details related to the event will be posted closer to the meeting date on [Engage Palm Desert](#)

### REVIEW

Review the project corridor and provide your feedback at <https://www.engagepalmdesert.com/login>
